

The 6th International Conference on Algorithms, Computing and Systems (ICACS 2022: <http://icacs.org/>) will be held at University of Thessaly, Larissa, Greece during September 16-18, 2022. This year, ICACS is hosted by Department of Digital Systems, University of Thessaly, Laris:sa, Greece. It will provide a platform for scholars, scientists, engineers and students from universities and industry from all around the world to present ongoing research activities, and hence to foster further research relationships between universities and industry.

As your safety is our top priority and concern, the conference has added online attendance / presentation for participants in case of you cannot attend the conference because of the COVID-19. The paper will be published as usual for the online presentation.
